LIFE COACHING & CONSULTING, LLC

## **Vanishing Mountains: Extreme Decluttering & Organization Workshop**

- Are there doors in your house you won't even open because you don't want to face what they hide?
- REALTORS, do you want to know how to help your clients clear and organize their homes so you can list and sell them successfully?
- Have you inherited a mammoth task of sifting through an elderly relative's sentimental collections?

### **Be empowered in the face of mammoth organizational tasks!**

- One on-location assessment consultation (60-90 minutes)
- 5 sessions (as needed)
- 24/7 text/email access for smaller enquiries
- Our "personal attention perks," where we may send helpful materials directly to the client, such as books or articles

\$600 (\$720 value)
